

ROJAN HEAVY DUTY FLOOR POLISH

Rojan Heavy Duty Floor Polish is a tough acrylic, self-shining, high gloss, non-skid floor polish that stands up to heavy traffic, resists scuffing, water spotting and mild detergent washing. It is ideal for use on terrazzo, tiles, vinyl, linoleum, polish stones and floors that do not need wax.

DIRECTIONS

Apply polish directly to clean, dry floor, with a clean mop or applicator. Allow to dry for 20 mins. A second coat may be applied when dry for increased shine and protection.

For first time use, floor should be cleaned with Rojan Heavy Duty Floor Stripper then rinsed with water and dried.

Floor should be stripped every 6 – 8 applications of floor polish to prevent discoloration.

SPECIFICATIONS

pH.....8.0 – 9.0
Clarity.....Opaque
Storage Stability.....Excellent

Packaging
4L, 18L, 208L
