

CARPET AND UPHOLSTERY SHAMPOO

Lanher CARPET AND UPHOLSTERY SHAMPOO is a deep cleaning, high sudsing concentrate shampoo. Lanher CARPET SHAMPOO quickly loosens soil and dirt deposits from your carpets and upholstery- it penetrates the carpet and gently lifts out the dirt and grime.

It is safe on all synthetics, wool and cotton. Lanher's CARPET AND UPHOLSTERY SHAMPOO provides vigorous cleaning action, yet it gently restores natural beauty to carpets and upholstery while brightening the fabric's colour.

DIRECTIONS

Carpets

Pre-clean desired surface with a vacuum or sweep area thoroughly. Dilute 1 part of shampoo in 10 parts of water. Be sure to agitate diluted solution before application. It can be applied with a mop, brush or applicator. Work solution into rug but do not soak- carpets should not be overly saturated. Allow carpet to dry for at least 4 hours or longer if necessary. Vacuum or sweep area when carpet has completely dried to remove loosened dirt and fluff nap.

Upholstery

Work diluted solution into fabric using a circular motion gradually moving from cleaned to dirty areas. Vacuum or brush thoroughly when dry. Do not use on velvet upholstery.

Spots/Stains

Use same dilution as above but apply only to affected areas. Clean spills up immediately since delay may cause the stain to set and hence lead to permanent damage.

NOTE: Some upholstery fabrics are not water washable. Test a small area/patch if in doubt before application.
